Orange Dragons**

Orange team

Daniel Masterson (Captain)  
Austin Kennard  
Olivia Kazimierczak  
Ella Creasy  
Angus Windsor Waite

Managers: Sarah Wagstaff and Ally Windsor Waite

We all worked really well together as a team. Austin worked hard up front and Ella was a good goalie. Olivia was a good tackler and Angus scored some good goals. The umpires were nice. Thank you to Ali and Sarah for managing and to Nat and team for organising the day. The cakes and sweets were yummy!

Green Dragons

Manager: Mel Widdows  
Assistant: Rob Wagstaff  
Patrick O'Rourke - Captain  
Sam Leeming  
Haydon Bradley  
Ellen Davies  
Estelle Widdows

The Dragons Green team came second place. They won every game except one that they lost to the overall winners. Sam was really good at scoring goals with Hayden. Ellen was great at passing with Estelle. I made sure everyone took part in games. The scores were great most were four goals to us. The best thing was that everyone had fun.

Purple Dragons

Manager: Pete Thomas  
Assistant: Polly Watson  
Sam Kassulke - Captain  
Freddie Jupe  
Hollie Blackham  
William O'Rourke  
Imogen Thomas

The Dragons Purple team put in a really good effort; for many of the players it was their first outing playing competitive hockey.

We played 6 games, 3 of which we won. As each game progressed and we improved our teamwork we got better and better. Of note was the ferocious tackling of Holly, who showed no fear and on two occasions gave great passes that resulted in goals being scored. For Freddie it was his first time playing in a hockey match and he was thrilled to score 2 goals, one of which helped us to beat Norwich - yay! William was always there in defence, even having to use his hands on occasions to stop the ball! Sam and Millie played much of the mid field, with some wonderful passing and some great last minute tackling in defence. Top goal scorer was Sam, with 6 out of the 8 goals. A great effort by all the players that saw them come third in the pool games and 10th overall.

#### White Team

Manager: Simon Mitchell

Assistant: Mark Savill

Sam Himpleman - Captain

Millie Lake

Tallis Mitchell

Casper Holt

Pryia Patel

Despite the sun being out there was a cold blustery wind on the on morning of the tournament, Simon our Manager rallied us together, giving a sterling speech and topped it off by giving us all white head bands (which were much appreciated!). Throughout the course of the tournament 'The Whites' worked hard at being a team, making opportunities for each other etc. Pryia, Casper and Sam concentrated their efforts on attacking and Millie and Talis complemented this through their defence. The Whites put up valiant effort and maintained their enthusiasm throughout.
