**Goalkeepers**

Jennifer Markellos & Kitty Evernett Greenland

1st Match v Magpies A: Magpies came out for their first game playing very strongly. Dragons tried hard and Amalie and Sophie played well in defence but unfortunately couldn't stop the Magpies attacking play and tactical shots at goal. Isobel had a great run up the wing but Magpies defenders retrieved possession and stormed back to score. Poppy intercepted a Magpies corner and Kitty did well in goal to make some great saves.

**Magpies 5- Dragons 0**

2nd Match v Norwich City A: This was a very exciting game. Despite their earlier defeat Dragons came out with great enthusiasm. There was great play up the wing by Isobel & Annabelle and Ivy who was in centre kept the ball mostly in Dragons attacking end. There was great defending by Keira, Sophie and Amalie and Jennifer was an amazing goalie- kicking the ball away 7 times out of danger in quick succession!

Norwich City 1- Dragons 0

3rd Match v Magpies A: Another exciting game with Dragons playing well using the wing more. Poppy & Annabelle had some great runs up the left wing and Isobel also attacked and ran well up the right wing- and although there was a lot of play in Magpies territory unfortunately their defence was strong and no goals were scored. There was great defensive play and passing by Sophie, Amalie and Keira and once again Jennifer was very strong in goal making 5 great saves .

Magpies 3- Dragons 0

4th Match v Norwich City A: Again Dragons tried hard with Poppy Annabelle and Ivy showing great attacking play and Isobel covering the right wing with great speed but City defended well and took every opportunity to score. Kitty made some great saves and Amalie Keira and Sophie worked hard in defence but City came out the winners.

Norwich City 4 -Dragons 0

Although no goals scored this tournament- dragons showed progression as a team with every game - Well done!

- Watton

Dragons goalie Kitty made several great saves.

Watton had most of the possession, the team spaced out and passed the ball well . Frustrating few seconds when we almost scored, but the ball just wouldn't go in the Watton goal. Final score a deserved 1-0 win to watton.

- Magpies

Early magpie goal. 2nd goal debatable as the ball hit magpies feet before going in!

Great interplay between Claudia and Saoirse taking the ball all the way down the wing, they worked well together. 2-0 magpies although we were a player short so a good effort by Dragons!

- Dragons A v Dragons B

Early goal from Claudia. B levelled the score at 1-1. Saoirse had a great shot at goal with a near miss. Great defending from Dragons A.The game finished 1-1, a fair result .

- City green

Early Goal from city. Great defence from Dragons number 23 Annabel. Dragons had most of the possession for a while until City scored their 2nd goal which came from a short corner. 3-0 was the final score, however it was a fairly evenly matched game the result seemed a pretty unlucky.

We fished in 5th place overall .

#### Match 2 Dragons V's Dragons

Sruthi scored a fast goal and Annie was good at defence tackling with Rosie. Tabitha had good runs forward. We drew 1-1.

#### Match 3m Dragons V's Watton

It was close and there were great saves from Jennifer. Everyone found great space and Purdie had great passes. Imogen had good runs down the wing. We were getting better as a Team 0-1 to Watton.

#### Match 4 Magpies V's Dragons

There were loads of great tackles by everyone with sensible passing with good Team Spirit. Excellent playing. We lost 2 – 0.

For me this was a really great first tournament and we did everything that we were supposed to do

1) Have Fun, 2) Do your best, 3) Work hard for your team, 4) Support your team mates.

Magpies is a friendly Club.

#### U12 girls C team

Overall lots of great effort from Dragons C, particularly in midfield and in our organised defending. The results did not necessarily reflect our effort, and many matches were quite even. Finding a good pass into the opposition D could make all the difference to the overall results. Well done to all the girls who played.

#### **Magpies Black 1-0 Dragons C**

The first game had lots of positives in it. The team had plenty of possession in midfield and there was some good passing between the girls. Unfortunately we could not find the killer pass or opportunity to get right in front of goal and get a shot in. Overall we had little to defend, but unfortunately we were eventually undone by a good dribble and finish.

### **Dragons B 2-0 Dragons C**

Once again lots of positives in midfield with some good passing and dribbling. As the game went on the B's got stronger with 2 or 3 good saves required. The B's ended as deserved winners with some good skills for their first goal, and good strong shot for their second.

### **Norwich City Leopards 3 - 0 Dragons C**

A difficult game with Norwich City fielding one or two very strong players. In this game we did show some good attacking intent, and managed to force 2 short corners. However, eventually the strength of Norwich grew, with all 3 goals coming from their right midfield where they put together some excellent play.

### **Watton 0 - 1 Dragons C**

Our best game. We were full of attacking intent and effort. The match was won by an excellent goal from Jemima who dribbled into the D and scored with an excellent low shot across the goalkeeper. Our defending was well organised, with only 1 short corner to defend, and once again we battled well, and won the ball in midfield. A good save with the last hit of the game kept our 1 goal advantage in tact.

### **Magpies White 2 - 0 Dragons C**

The scoreline does not really reflect the evenness of the match. Once again we showed plenty of attacking effort, but as seemed to be the theme of the day, we just couldn't find the pass that would put us in the area with a real chance on goal. Magpies did score 2 goals which were something of a scramble after we managed to defend there first attempts on goal.
