The Green Dragons U12 girls B team had a morning of great hockey at Norwich City tournament today. We showed persistence and perseverance, playing in the A tournament. We were playing some extremely tough teams but we managed to keep the scores very low and even managed to win one of our games.

The first match we played was against Pelicans As. we kept the score to nil-nil because of some great defensive work. We had a match rest before then going on to play our own dragons A team, we tried to push forward from the D and stopped many future goals and even a 2-0 loss is still a great result from playing our A team so well done girls.

Our third match was played against magpies A's, we performed some great hockey in this match and keeping such a strong team to a tie for most of the match was great and it was only in the last minute they scored. From magpies we went on to play city As in which we had a 1 0 loss they kept pushing forward with their strong wings but our defence held as strong as ever and stood their ground.

Against Dereham we performed astonishingly as a team beating them 1-0 making sure our attackers were as strong as ever every player on that pitch should be very proud of this match.

Our final match was against city Bs even though they were the B team they still were a tough team, so well done.

Overall everybody should be very proud of themselves finishing 5th out of 7 teams in the gold event. Most importantly, we thoroughly enjoyed it, thanks Simon our manager.

Thankfully, the rain had stopped, and the sun was making an appearance as the new Dragon C team, captained by Poppy, began to play at the Norwich City Girl's mini hockey tournament on Sunday 2nd October.

In the first game against Magpies B, the girls quickly learned each other's names whilst managing to maintain a 0-0 scoreline. In the second game against City Leopards, player Caitlyn shared her experience with the team about city's reputation for hard hitting balls and subsequently, the girls arranged themselves to put up a good defensive fight to keep the score 0-0.

For the Watton game, awesome goalie Mia quickly kicked away any shots on goal and the team had some attempts to score - led by a strong attacking team of Jimmy, Poppy and Rosie. In the Magpie C

game, Dragons C defenders maintained the zero goals conceded scoreline with the great work of defenders Caitlyn, Rhianna and Charlotte supported by Laura, who despite all odds, found a new love for the midfield position!

By the time the Pelican B game came around the girls were working together excellently, some having played in every position of the formation such as the ever-enthusiastic Jemima, and they managed to put a goal past the Peli goalie. Dragons C followed this up with a sweets-fuelled 1-0 win against City Panthers and finished the tournament without conceding any goals earning an amazing second place. Extra special mention to Rosie, who got injured early on in the tournament but kept playing as per the Dragons spirit and Poppy, who took a hard ball to the knee at the end but still went home smiling after a good captain debut.

The first game was against magpies, tough first game but dragons never stopped trying and we also had some amazing goalkeeper skills from Arya, who did some great saves and kicked the ball well clear of the goal on several occasions. A good corner from Imogen Dolding and some strong attacking dribbling by Libby, but in the end we finished 0-0. Good start, as they are the toughest team.

The second team was Watton. Unlucky goal was scored against dragons in the first few minutes. But after that Dragons really got going and it was quite exciting to watch. Well defended, and the dragons were good at getting the ball up the pitch but just not quite managing to get it in the goal. Finishing score was 0-1 to Watton

Next we were up against Norwich City. Great defending from Millie and Louisa they really were very determined. Penny also had a really good game, but unfortunately the team did have quite a lot of foot faults, and gave a few to many penalties to Norwich, helping them get a goal. We did get one short corner, and saw some great strong hitting from number 3 Imogen Thomas. Finishing score 0-1 to Norwich

Last game was with Norwich City's other team. Good attacking from Claudia & Bria. Dragons gave it there all but just let one get through, got the ball up towards their goal but again just can't quite finish it off. Really proud of the team, first tournament of the season and they showed determination, and they got better every game, so I feel exciting season ahead of this young team!

Thank you so much Mel for giving the team so much advice, encouragement and fun. A very enjoyable day

Dragons u12's A won the first tournament of the season at Taverham. The team played City A & B & Magpies A - each team playing each other twice.

First game v Magpies saw Dragons run out winners 3-1, Freddie was back to his poaching best, with James scoring the 3rd. Game 2 against City B was a comfortable 3-0 win. Game 3 was a big wakup

call, the team missed early chances & then didn't defend very well allowing City to eventually run out 3-0 victors.....luckily we play every team twice!

2nd time round Dragons let a lead slip & only drew with Magpies. City B were again comfortably beaten 2-0. The last game was the decider (as it turned out) City needing to draw & Dragons to win to win overall. The team gradually improved during the afternoon, Tom & Edward now looked more solid at the back with Ben making good strong runs down the right. The game was won with a drag flick from James, the team comfortably hold on for victory.

Match report for the Green Shirts (B's) at Norwich City U12's Winners of the Silver Tournament

Dragons 2 Magpies 1

Great start against a strong Magpies team some good stick work and strong pressure meant Dragons got into an early 2 goal lead with Goals from Harvey and Alexander. They defended well throughout and with some excellent teamwork managed to keep the opposition at bay for long periods of play. Magpies pulled one back, however Dragons finished the stronger team. Good start to the tournament.

Dragons 1 Norwich 0

This was possibly the toughest game of the day for the Dragons. It was very tight with both teams providing some good skill and resolute defence for long periods. Dragons were turning the screw pushing for a goal when Max was called on to make a couple of crucial saves from breakaways against the run of play. Persistence paid off and finally Dragons scored the winner towards the end of the game (goal scorer unknown to the author...very sorry)

Dragons Green Shirts 3 Dragons Purple Socks 0

A well fought and competitive match with the greens dominating for most of the game, some great skill was shown and a strong competitive spirit was shown by both teams. Purple Socks put up great defence and held on for some time due to some great stops put in by the opposition keeper, Charlie King). Eventually Greens got the goals, two from Raffy and one from Jack. Well played.

Dragons 2 Pelicans 0

The final game produced some great work and Pelicans were under pressure for almost all of the game. The flow of the game may have been slight overshadowed by an over-enthusiastic whistle blower! Anyway after yet another restart a good goal was scored Raul. Another goal was only a matter of time and after a mazy run through several players by Raffy he scored possibly the best goal of all the games played.

Tournament Outcome

Well done to the Green Shirts who won their league in the tournament. They only let in 1 goal and dominated all the matches they played in and they should be rightly proud of there performance as a team on the day.
